# What to SERVE

Matching the wines to the menu is key when planning a summer gathering. This quick guide will get you started pairing summer-sipping wine styles – white, rosé and sparkling – with foods.

## WHITE WINES

**Appetizers** / Artichoke dip and fresh veggies; scallop skewers; feta or goat cheese.

**Mains** / Grilled fish with lemon and herbs; fish tacos; pasta primavera.

**Why it all works** / Fresh flavours and briny bites suit the wine's crisp, vibrant acidity.

**CLOSSON CHASE K.J. WATSON  
VINEYARD PINOT GRIS 2022** 🍷

Vegan, VQA Four Mile Creek,  
Niagara-on-the-Lake, Ontario

Cool-fermented in stainless steel with no malolactic conversion, this nervy, single-vineyard Pinot Gris evokes stone fruit, fresh flowers and wet rocks while brilliant acidity cleanses the palate between sips. The finish is complex with layers of fruit, florals, and marine minerality.

**HENRY OF PELHAM THE DRY RIVER  
ESTATE RIESLING 2021** 🍷

Sustainable, VQA Short Hills Bench,  
Niagara Escarpment, Ontario

Henry of Pelham was one of the first wineries to plant Mosel Riesling vines in Ontario and they did so with research and care, which is clearly reflected in the wines they produce.

This fine example is crisp, balanced and aromatic, with grapefruit, lemon, peach, tangy lime and a long finish. Savour through 2026 (and beyond if you prefer your Riesling with more mature character).

Aromatic & Flavourful

557165 (D) 750 mL \$19.95 🍷

**GÉRARD BERTRAND CÔTE DES ROSES  
SAUVIGNON BLANC 2022**

IGP Pays d'Oc, Languedoc, France

**JEAN-MAX ROGER CUVÉE MARNES ET  
CAILLOTES SANCERRE 2021**

AC, Loire, France

The hallmark complexity of fruit and mineral notes in this wine comes from blending grapes grown in two soil types: caillottes and Kimmeridgian marl. The caillottes imparts fruit and floral tones, while the Kimmeridgian affords richness, structure and minerality. Vintage after vintage, this wine is consistently intense, complex, crisp and vivacious.

**ALOIS LAGEDER TERRA ALPINA

One of Alto Adige's most renowned and significant producers, Alois Lageder was founded in 1823 and has a long history of innovation in both the vineyard and winery. Their Pinot Grigio wines are benchmark expressions, and this one is lean, refined, edgy and fresh, with white peach, lemon citrus and minerality.

**Light & Crisp**

### VINELAND ESTATE ROSÉ 2021

VQA Niagara Peninsula, Ontario

This is a pleasing orange-tinted pink in both the bottle and the wine glass. Aromas of mixed herbs and fresh ginger mingle with citrus and red cherry/berry fruit. It streams over the palate with tang-infused flavours of pie cherry, passionfruit and plenty of nerve and verve cascading from first sip and over the finish and aftertaste. This is a great thirst quencher and will find many dance partners at the table – try with brie cheese on a biscuit or bread roll or bruschetta or with your favourite sushi platter. The price-quality balance tips well in your favour. Drink or cellar. Exceptional Value! Score: **91** (Vic Harradine, winecurrent.com, Aug. 15, 2022)

## SPARKLING WINES

# 8°C

### **PONGRÁCZ BRUT CAP CLASSIQUE SPARKLING CHARDONNAY/PINOT NOIR**

Sustainable, traditional method, WO Western Cape, South Africa

Great price and value for this quite complex, deep traditional method sparkler. Shows generous, complex aromas of baked apple, dried fried onion, a touch of honey and spice. It is medium bodied, tart, bold and grippy on the palate. Not quite as fine as the average Champagne, but sure delivers similar complexity and depth. At an unbelievable price. # 4 Signs of a SUMMER SIPPER

Want to check out some of the other wines in this release? Here are some clues that a wine will be great for summer sipping.

## 1 / Lighter body

Light, breezy clothes are more comfortable than big, heavy clothes in peak summer heat. Similarly, lithe, elegant wines are easier on the palate than big, rich wines when the heat is on.

## 2 / High acidity

Acidity in wine cleanses the palate and literally makes your mouth water. This is especially important on hot days to cut through richer foods and keep your palate primed.

## 3 / Low tannins

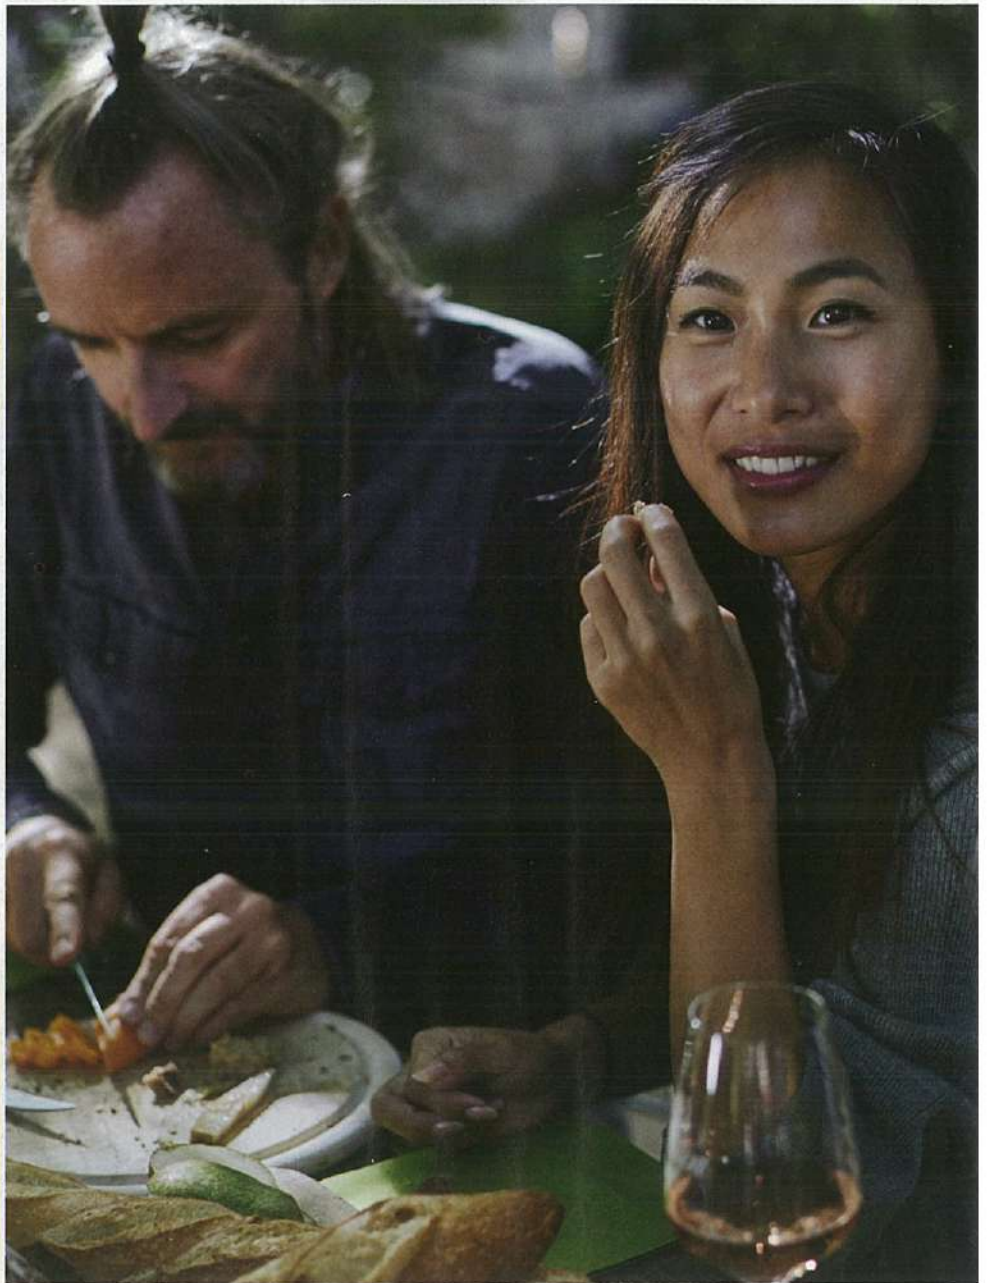

Tannins feel chewy on the palate, which can make big, tannin-heavy red wines feel less summery than lower-tannin white, rosé and sparkling wines.

## 4 / Low (or no) oak

Heavily oaked wines have higher tannins, richer flavours and fuller body, all of which are less suited to summer sipping than crisp, nervy low/no-oak wines.

**J. LOHR OCTOBER NIGHT  
CHARDONNAY 2021**

Sustainable, Arroyo Seco, Monterey County,  
California

Gardenia, jasmine and apple blossom aromas meet with a touch of stone on the nose of this approachable bottling. The palate offers tuberose and guava flavors that lean quite tropical, but there's enough stony minerality and citrusy acidity to keep it vivid into the finish. Score: **91** (Matt Kettman, *Wine Enthusiast*, March 1, 2023)

Ontario wines.

## This wine rules

Orange wines may be atop the trend list these days, but the style actually has an ancient pedigree. This richly textured, floral, fresh example from our province's southernmost wine region shows regal notes of rose petal, lychee and spice. It would reign supreme alongside grilled chicken or grilled eggplant.

I love it  
because...

1. This unique orange wine is 100% Gewürztraminer from VQA South Islands.
2. It's aromatic, with beautiful floral and tropical fruit notes.
3. The grapes are macerated on their skins for 28 days, creating the lovely orange colour.

Vegan, VQA Niagara Peninsula

A little bit of age goes a long way to changing  
perspective for chardonnay and here in Triomphe  
the gelid, curd textured and creamy generosity  
really lifts the spirit. However short lived that may  
be it's still something that one finds sweet relish  
and also delight because Southbrook's connectivity  
is something made in wood that once transformed,  
now alights. Yes this has moved into new territory,  
edging into the secondary. Vanilla persists, caramel  
unfolds and spices run amok. Tons 'o flavour though  
some will see it as warm vintage, Mâcon-ilike. What's

A crunchy Rufina mainly from 1970s Sangiovese vines with dashes of both local heritage and international varieties, too. Fermentation in stainless steel precedes 24 months in concrete and large, second-fill oak vats. Its bright scarlet hues mirror equally bright and deliciously savoury fruit. The compact palate provides coherent interplay between fruit and tannin with no sense of overripeness or oaky angularity. It's mouthwatering now, but resist so its texture evens out fully. Wow. Fantastic aromas of blackberries, currants, minerals, violets and graphite. Full-bodied with firm, silky tannins that are incredibly polished and intense, yet ever so refined and integrated in the wine. It goes on for minutes. **PAOLO CONTERNO ANFORTI 2016**

IGT Toscana

Paolo Conterno is a famous producer in Piemonte, who like others before him from the region have ventured into winemaking in Tuscany. This a blend of merlot and sangiovese ... you must appreciate the edginess that the Piemonte perspective brings. It is high acid, fairly prosciutto/meatiness, herbal and funky on the nose and palate, yet the depth, intensity and length are impressive. Acid is brittle. Tannins are rigid; the length is excellent. Give this three years. Tasted Sept 2020. Score: **91** (David Lawrason, winealign.com)

**CANTINA VALPANTENA TORRE DEL FALASCO VALPOLICELLA RIPASSO 2020**  
DOC

... mostly Corvina Veronese with some Rondinella and Corvinone wine grapes. Ripasso is a wine-making technique that takes Valpolicella (from the Veneto region) and then introduces the lees of Amarone into the wine. There is enough residual sugar in those lees to allow a second fermentation that produces a bigger, richer wine. The 2020 vintage is very approachable now and is dry and vibrant with dark fruit, dark cherry, savoury herbs, vanilla, cocoa and smoky spices plushy on the palate. Drink: 2022-2028. Best Value Wine.
