This Cabernet comprises fruit sourced from prime sites in Napa, Sonoma, Lake County and Mendocino. It's fruit-forward and balanced, with deep, dark ripe cherry and purple fruit embroidered by mint, vanilla, hazelnut and earth, all presented in velvety tannins. A good choice for braised short ribs, sautéed portobello mushrooms, well-seasoned steak, or hard cheeses such as aged cheddar or Gouda.

Angel investor

Through their many social initiatives, Montes invests in their employees and their community.

Students of all ages learn about sustainable farming. BELOW, RIGHT: Teamwork makes the dream work at Montes.

LCBO SPIRIT OF SUSTAINABILITY

At LCBO, we're focused on building a more sustainable future through our Spirit of Sustainability initiative, which celebrates trade partners who work to promote diversity and inclusion, community investment and sound environmental practices. Learn more at LCBO.com/sustainability.

People around the world love Montes for their delicious wines and iconic angel branding. This Certified B Corporation also boasts impressive environmental credentials, but their investment in the future doesn't stop there.

At the Angel's Dream Workshop, employees and community members learn how to make cloth angels, which they then sell in the winery's Emporio del Ángel store alongside handcrafted pieces by other local artisans. The angels are also distributed by Montes representatives. "These angels travel the whole world," says Josefina Astaburuaga, Head of Impact.

Montes collaborates with the Aptus Foundation to provide educational materials to four local schools where many of the employees' children are students. They have an onsite study completion program for their employees who haven't finished school. And each year, in partnership with the INCIDE Foundation, Montes awards a university scholarship to an employee's child.

Montes also extends their impact to members of the community who are often overlooked. They offer work placements to inmates of the Penitenciarío de Santa Cruz, "with the same conditions of any employee," says Astaburuaga, including pay. Three of these former inmates have gone on to work at Montes.

Students from the Santa Cruz Special Education School can apply for internships in whatever area of the winery interests them. "The real positive impact is for our employees," says Astaburuaga. "The opportunity to work with these students, to know their different capabilities, to teach and to learn from them. It's really beautiful."

To Astaburuaga, the motivation behind these many endeavours is simple: "We are part of the community. Our employees are part of the community. We want to benefit our employees. We conceive of this as an investment, not a donation."

2. It's locally made in the same manner as Champagne.
3. "Bisous" is French for "kisses." A perfect pairing for the upcoming holidays.

DO Los Lingues, Valle de Colchagua, sustainable
100% Carmenère ... exciting, zesty aromas of pounded fruits and freshly cut flowers. In the mouth, it's smooth yet ample in volume, almost seamless and remarkably harmonious for such a young wine. The flavours are fruit-led, with ample soft plum and blueberry charm, yet that floral aromatic refinement persists in the mouth and lends the fruits complexity and grace. Ultra-soft tannins and gentle, almost sweetly fruity acidity (an acidity which barely seems acid) complete the beguiling picture. Best in Show. Score: **97** (Decanter World Wine Awards, 2023)

CLOS DE LUZ MASSAL 1945 CABERNET SAUVIGNON 2021

Almahue, DO Valle del Rapel
This is from a selection of old cabernet vineyards planted in 1945 on the Clos de Luz property, in Almahue, in the center of the Cachapoal Valley. It comes from a cool season, and you can sense that in the herbal and slightly mentholated aromas that predominate on the nose, although they give way to fruitier flavors on the palate. The fine – very fine – tannins underpin the body and juicy acidity in a fruity-style cabernet, ready now for smoked ribs. Score: **93** (Patricio Tapia, guiadescorchados.cl, 2023)

Made with Merlot and Cabernet Sauvignon, the Tenuta San Guido 2022 Guidalberto gives you a good taste of the same DNA that brings us one of Italy's greatest wines, Sassicaia, but it's offered in a more immediate style here (thanks to the addition of the Merlot). This warm vintage opens to medium-dark concentration and very plump aromas that take you immediately to blackberry and blackcurrant sitting out in the sun at your local farmers market. VOLPAIA CHIANTI CLASSICO 2021
DOCG

Of all the 2021s to taste and assess there is no shock that Volpaia's is just about as young and immovable as any. This is not major news for a vintage of great structure matched by upbringing for classic Classico... The substance is that of a layered and complex weave with five per cent merlot involved to soften but also pull verdancy from a very tannic example. Bigger than recent vintages, weightier and potentially far more profound. Time will tell. Drink 2025-2032. Tasted February 2023. Score: **94** (Michael Godel, winealign.com)

Discover Bordeaux Futures

Don't miss your chance to order the excellent wines from our 2023 Bordeaux Futures collection.

Wondering why 2023 wines are called "futures"? Bordeaux Futures is a special program that lets you buy top wines from the world's most revered wine region up to three years before they're bottled. Though the 2023 vintage is still maturing in barrels in Bordeaux, wine critics and our own buyers have sampled many of the wines at en primeur week: an annual spring tasting held at wineries and other venues around the region. Make your choices online based on their reviews, and then sit tight until the wines are delivered in 2026. Bordeaux Futures is part investment, part treasure hunt, and all about the anticipation!

Visit [LCBO.com/vintages](https://www.lcbo.com/vintages) and click Cellar Collection and then "Explore Bordeaux Futures" to learn more and explore the 2023 collection, or scan here.
