A WINNING FORMULA FOR FATHER'S DAY

Thrill an auto-racing fan with one of these new wines – collaborations between acclaimed Barossa winery St. Hugo and Italian-Australian Formula 1 driver Daniel Ricciardo, who's a wine lover that wanted to learn more about the craft and get his hands dirty in the process. The Ric Red is a plush red blend known as Daniel's "secret sauce," while the DR3 (3 is his car number) is a rich, limited-bottling Cabernet Sauvignon. If you or Dad aren't heading to Montreal for the big race, this is a great way to share the excitement.

These wines will be in high demand, so speed to your nearest LCBO store or LCBO.com.

THE ORIGIN STORY

Rosé is intimately associated with the South of France, and those crafted in Provence (France's oldest winemaking region) are considered the global benchmark for fruity, dry rosé wines (little wonder; they have been perfecting them for over 2,600 years). Typically, Provence rosés are made from Grenache, Cinsault, Mourvèdre and Syrah grapes. These rosés are bright and vibrant with intense red fruit, citrus, gentle herbs, and a delicate spicy character. Styles in Provence range from the aromatic and floral to the full-bodied and structured. Around the world, winemakers produce rosé from all types of red grapes, creating a virtually limitless array of fresh, colourful, buoyant wines.

LCBO SPIRIT OF SUSTAINABILITY

At LCBO, we're focused on building a more sustainable future through our Spirit of Sustainability initiative, which celebrates trade partners who work to promote diversity and inclusion, community investment and sound environmental practices. Learn more at [LCBO.com/sustainability](https://www.lcbo.com/sustainability).

Henry of Pelham has become a household name in Ontario for its roster of delicious local wines, its charming origin story, and its impressive commitment to the environment through its many sustainability initiatives. But did you know that the winery also gives generously (and creatively) to a number of charities?

"We generate about \$40,000 a year in charitable donations," says co-owner Daniel Speck. The list is extensive, eclectic, and ever evolving, but some notable recent partnerships include the Inside Out 2SLGBTQ+ film festival, the Niagara Children's Centre, *The Walrus* magazine, and Pathstone Mental Health.

"We've always had a focus on children's charities and mental health," says Daniel. "It's a huge need. Everyone's touched by this, and it's a big gap in our medical system right now." Pathstone Mental Health offers a range of services for children experiencing mental health issues. With the collaboration of the Henry of Pelham team, the Pathstone Gala in November 2023 was able to raise \$500,000 to support these services in the Niagara region. "You see the results in your community," says Daniel.

Henry of Pelham's case sales fundraising program, which has been operating for about 10 years, donates 20% of sales for curated case packs directly to the participating charity. Since organizations apply to take part, these charities reflect "what works in that local community and is important to them" and has included everything from kids' sports teams to animal rescue groups.

Whether the scope of the charity is big or small, "we've got to participate in taking care of each other," says Daniel.

HENRY OF PELHAM SPECK FAMILY RESERVE CHARDONNAY 2022

VQA Short Hills Bench, Niagara Escarpment, Ontario, sustainable

The Speck Family Reserve wines are "the highest expression of our local terroir," says Daniel. "We will make these wines in only the best of the best vintages." The Chardonnay comes from "a vineyard that my brothers and I literally shovel-planted in 1988." Now, "it's very consistently the best block on the farm." The 2022 is "opulent" with good acidity and pairs beautifully with quiche or roasted poultry.

 Coonawarra, South Australia
 This is the 66th vintage of this Australian classic. The first of these was made in 1954 and I am honoured to say that I have been fortunate to have tasted every one of these vintages through various verticals to celebrate milestones. The wine has never looked better from this exceptional Coonawarra vintage. It's classic Coonawarra, medium bodied with delightful regional and varietal characters. Leafy and slightly chalky tannin overlay to the vibrant blackcurrant fruit characters. The tannins are super fine and the oak so well played. Perfumed and alive, this is a wine for extended cellaring if you wish. Drink: 2023-2053. Score: **96** (Ray Jordan, winepilot.com, May 2023)

LA DILECTA SAUVIGNON BLANC 2019

AP Touraine

Old-vine fruit harvested from two plots on limestone soil as late as possible gives both freshness and depth of flavour. Grassy nettle aromas means you expect classic, green and grassy crunch, but instead the palate is rich, creamy and silky. Still very fresh and young, but with the complexity gained from age. Gently phenolic, with some lovely fresh herbal and wild flower notes, citrus, lots of orange blossom and an almost sherbety, vibrant acidity which is beautifully integrated with the very ripe, tropical fruit and a smooth, creamy richness. The sort of wine which could convert most Sauvignon Blanc haters to fans. Drinking window: 2023-2028. Score: **93** (Elizabeth Gabay, MW, decanter.com, Feb. 21, 2023)

Massive fruit in every respect from an [under] \$18 Rhône red that is thankfully neither hot nor boozy. Just the swells and deep well of berries, sweet and perfumed, ripe to the hilt and a Villages example so glaring you might want to don shades to dim the brightness of its illuminating light. STANDOUT SELECTIONS

Superb wines from some of Ontario's best-kept secrets. Marynissen's blend of Cabernet Sauvignon and Merlot offers lush dark-fruit flavours over fine-grained tannins. Niagara's premier 100% organic winery Frogpond presents an aromatic and dense Riesling that'll pair wonderfully with baked ham. Vieni Estates offers this sumptuous Gamay with tangy red fruit flavours and a hint of freshly cut violets.

STYLE SPOTLIGHT

Ontario's unique terroir offers flexibility when growing Chardonnay. Grapes from Prince Edward County revel in bountiful sunshine, leading to crisp tropical and citrus fruit flavours and fine minerality. The high elevation and south-facing vineyards of Vinemount Ridge make for balanced wines with flavours of sliced pear, fresh cream, and baked bread.
