

Wines of Ontario presents

TASTE ONTARIO!

About Taste Ontario

The room layout at Baillie Court is organized by wine appellation or region in the following order: the Niagara Escarpment, Niagara-on-the-Lake, Lake Erie North Shore, Pelee Island and Prince Edward County.

The wineries within each appellation are placed in alphabetical order and clearly marked by table numbers and winery name. We hope that this design makes it easier for you to navigate the room and effectively meet the proud and passionate winemakers and owners who create the exceptional wines that are available for you to taste today.

You will find signs at each table with a list of the wines that are being poured. All of the wines available for tasting are also available for purchase unless otherwise stated.

There are 42 wineries participating in the tasting. This tasting booklet includes a directory of winery names and contact details, the wines that are available at each table and the licensee prices.

Good afternoon and welcome to a special event celebrating Ontario's premium winemaking.

There's never been a better time to discover our local flavour. Ontario's wineries and winemakers are at the top of their game, crafting exquisite expressions of our local landscape that can take a place of pride on the world stage. Add to this the spectacular 2007 vintage, which Tony Aspler has called "the best Ontario vintage ever," and it's clear why Ontario is causing more excitement in the world of wine than ever before.

We are pleased to play host to forty-two top Ontario wineries for the first annual Taste Ontario trade and media event. This is an exceptional opportunity to taste over 160 outstanding wines – including many from the 2007 vintage – and meet some of our very own local stars: the winemakers and vintners leading the way in taking Ontario's wines to new levels of excellence.

This promises to be a truly enjoyable tasting. We are glad to have you share it with us. Enjoy!

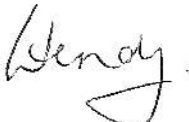

Sincerely,

Hillary Dawson,
President

Magdalena Kaiser-Smit,
Director of Public Relations

Wendy Cheropita,
Director of Marketing

Linda Watts,
Project Manager

ONTARIO'S WINE REGIONS

NIAGARA ESCARPMENT

This area west of St. Catharines contains several VQA regions, with most vineyards situated on the slopes of the escarpment itself. It's an area known for producing wines of fine structure, and mineral character expressive of their terroir. With the dry 2007 vintage, vines in these regions dug deep into the soil, producing bigger, more robust, ready-to-drink wines – especially the reds.

NIAGARA-ON-THE-LAKE (NOTL)

Nestled between the Niagara River and Lake Ontario, and quite warm relative to the neighbouring Escarpment, NOTL produces rich and approachable wines. The 2007 vintage was even warmer than usual, making for especially lush, concentrated reds and whites.

LAKE ERIE NORTH SHORE (LENS)

Situated at Ontario's southern tip, LENS has a long growing season which translates into deliciously ripe grapes. Given the extra sun and heat in 2007, the fruit here enjoyed even greater ripeness levels, making for very round, fruity wines.

PELEE ISLAND

Pelee Island, situated just 25 km off the mainland at Canada's most southerly point, has the longest wine-growing season in the country. The long, warm growing season favours some varietals that are unusual for Ontario, including Tempranillo. These unique conditions have ensured a long history of successful wine grape growing on the Island.

PRINCE EDWARD COUNTY (PEC)

The best of PEC's wines show incredible finesse. Here the 2007 vintage saw more rain than Niagara, but the same unprecedented sunshine, leading to wines of impressive ripeness that retain their trademark elegance.
