THE TRAGICALLY HIP AHEAD BY A CENTURY CHARDONNAY 2023 🍷

VQA Niagara Peninsula, Ontario
(Stoney Ridge)

53392 (XD) 750 ml \$21.95 🍷

First produced as part of the celebrations to mark the 20th anniversary of The Hip's classic album *Trouble at the Henhouse*, this rich, layered, complex Chardonnay has huge appeal, and it's hard to get any more Canadian. Sourced from the Martin and Garrett vineyards, it was aged for one year in French oak. It's silky and buttery, with creamy vanilla, citrus, marmalade, and oak spice.

QUINTA VALE SANTA LUZIA TINTO 2023

DOC Douro, Portugal, vegan
(Vicente Faria Vinhos)

51577 (XD) 750 ml \$19.95 🍷

This wine was sourced from vineyards at 450-600 metres above sea level. Eighty percent was matured for one year in Slavonian oak, with the remainder spending 14 months in French oak. It's tangy and fresh, with blueberry, blackberry and pepper. A great wine for grilled meats, mushroom risotto or mature cheeses.

ONTARIO'S TOP FIVE

Ontario wineries produce a wide range of varieties and styles, but there are **five standouts that have secured Niagara's place among the great cool-climate wine regions of the world.** These are what set us apart. Here's what our buying team has to say about Ontario's top five:

Riesling

- Authentic
- Precise
- Electric

“

Riesling is a versatile, dynamic grape that can produce everything from bone-dry to sparkling to sweet wines. It reveals terroir with an authenticity and accuracy that few grapes can match and is famously food-friendly. Riesling can pair with almost anything. I enjoy Niagara Riesling all year round but especially in the spring and summer, and it's my go-to for Chinese and Indian takeout.”

Chardonnay

- World-class
- Cool-climate

“

Ontario Chardonnay is one of my trusted wines when I'm planning a meal. Ontario's cool climate helps create wines with bright acidity and fresh flavours of apple, pear and citrus, while some styles offer added richness and texture from oak ageing. I enjoy pairing local Chardonnay with perch, roast chicken, creamy pastas, or Ontario cheeses. What I appreciate most is its versatility. It works just as well at home for a casual weeknight dinner as it does around a table shared with family and friends. It's also a great example of the quality and diversity of Ontario winemaking.”

REIF RESERVE CHARDONNAY 2024 🍁

VQA Niagara River, Niagara-on-the-Lake

This wine is sourced from Reif's oldest Chardonnay block, planted in 1981. It's juicy, elegant and rich, with apple, pear, hazelnut and vanilla.

Thomas Bachelder,
co-owner and head
winemaker at Bachelder.

Pinot Noir

- Refined
- Elegant
- Ethereal

Known to the world as the ‘heartbreak grape’ because it’s notoriously difficult to grow, Pinot Noir flourishes in Ontario’s cool climate, producing many world-class wines. When I was taking my first wine classes, adjectives such as ‘alluring,’ ‘sensual’ and ‘seductive’ were used in addition to the main aromas of cherry, strawberry and violets one could expect from this variety. After tasting many Pinots within my budget from other countries, it was an Ontario VQA Pinot Noir that gave me my ‘aha moment,’ and I finally understood what Pinot Noir at its finest can be.”

Sean Adams

Product Manager, New World & Ontario Wines

BACHELDER LES VILLAGES BENCH PINOT NOIR 2024 🍷

VQA Niagara Escarpment

An alluring, perfumed Pinot Noir from Niagara’s master of terroir, Thomas Bachelder. This lifted, precise wine has the potential to age into the early 2030s.

91 points (Sara d’Amato, winealign.com)

Medium-bodied & Fruity

11582 (XD) 750 ml \$34.95 🍷

FOR COMPLETE TASTING NOTES, SEE PAGE 34.

Cabernet Franc

- Ripe
- Fresh
- Savoury

“

Ontario Cabernet Franc effortlessly fits relaxed dinners at home or gatherings with friends. Ontario's cool climate helps create wines with fresh red fruit flavours like raspberry and cherry, along with a touch of spice that makes every glass interesting. Only a handful of places in the world can produce 100% varietal Cabernet Franc (generally, it's used as a blending grape), and Ontario makes some of the finest. I enjoy pairing it with grilled meats, mushroom-based dishes or a classic charcuterie board, but it's also very enjoyable on its own.”

Peter Cloutier

Senior Category Manager,
New World & Ontario Wines

FIELDING CABERNET FRANC 2024 🍁

Structured and ripe, with upfront raspberry, smoky crushed berry, and evocative savoury herbs. Fielding's quality focus produces a refined, consistent expression of Niagara Cabernet Franc.

Icewine

- World-renowned

“

Icewine is Canada's gift to the world. Though it's made elsewhere, we're the only place that can produce it every year without fail. This gorgeous dessert wine is lusciously sweet but not cloying and can be enjoyed in many ways. Of course, the obvious is as an after-dinner treat, but it can also be used in cocktails, as a dessert topping, or even in cooking!”

Sean Adams

Product Manager, New World & Ontario Wines

KONZELMANN VIDAL ICEWINE 2025 🍷

VQA Niagara Peninsula

Konzelmann has been making wine in Niagara since the 1980s, and Icewine is one of its specialties. A decadent, balanced, dynamic wine with notes of honey, pineapple, mango and apricot.

INTRODUCING FRACETTE: ONTARIO'S SPARKLING INNOVATION

Niagara's cool-climate growing conditions are perfect for creating the high natural acidity required for premium sparkling-wine production. This year there's a thrilling new chapter in Ontario bubbly with the arrival of Fracette (frah-SET). Unique to Ontario, this dry sparkler is produced using an Icewine *liqueur de tirage* to kick off the second fermentation. The emergence of a new style is a rare, exciting event in winemaking. One that's exclusive to a particular region is even more so.

Tawse proprietor Moray Tawse.

APPLAUSE FOR TAWSE

For 25 years, Tawse Winery has been a pioneering voice in Niagara. Through terroir-driven wines created with a focus on organic and biodynamic winemaking, Tawse Winery has helped set the standard that has made Ontario a world-renowned cool-climate wine region.

When Moray Tawse began his Niagara wine project in 2001, he was convinced that Niagara was worthy of being mentioned in the same breath as the world's great cool-climate regions. This belief was born of extensive travel and tasting, particularly in Burgundy, where he developed a finely tuned understanding of what impact carefully crafted wines that faithfully reflect the place where they are grown can have.

Over the years, Tawse Winery has developed one of Niagara's most diverse portfolios of premium cool-climate wines, with a focus on Chardonnay, Pinot Noir, Riesling, Cabernet Franc and Gamay.

**TAWSE GROWERS BLEND

Jessica Otting, Tawse winemaker (left) with teammates. ABOVE: The tasting room at Tawse.

One of the pillars of the Tawse Winery approach has been their dedication to organic winemaking; a key factor in the unquestionable authenticity of their terroir-driven wines.

Tawse Winery's decision to highlight the special qualities of individual vineyard sites rather than creating blends comprising various sites and regions was quite rare in Ontario in the early 2000s. Many of these sites are now considered benchmarks in Niagara and include such notables as Robyn's Block, planted with Chardonnay in 1984; Carly's Block, thought to have been first planted with Riesling around 1976/1977; and Quarry Road Vineyard, planted in 1998.

The future has always been a living part of the Tawse ethos. Sustainable, organic and biodynamic farming are not approaches one adopts if one is rooted in the moment. These are philosophical attitudes that celebrate the vintage at hand and are promises made to vintages to come.

A Vintages Essential

FOR COMPLETE TASTING NOTE, SEE PAGE 32.

Tawse opened Redstone Winery in 2015. This winery puts an increased emphasis on the experience for the visitor, with a focus on food and hospitality that invites deeper connection to the amazing Niagara region and the Escarpment in particular.

As Tawse Winery celebrates 25 years, there's no trace of complacency in its approach. This leading light of Niagara winemaking is shining brighter than ever. In recognition of this quarter-century milestone, select bottlings will feature updated labels that will roll out gradually throughout 2026 as new vintages are released. These refreshed labels carry a new design nodding to the journey Tawse Winery has taken while casting a confident eye towards the future.

Tawse Winery was named Canadian Winery of the Year at the 2026 National Wine Awards of Canada, which is Canada's most prestigious, comprehensive wine competition. This is the fifth time Tawse has been awarded this distinguished honour.

VERMOUTH

GUERRA ROJO RED VERMOUTH

Spain

[Though not the same bottling as reviewed, this will reflect similar attributes.] Based in Bierzo, Guerra produced this Vermouth from 1879 until the 1960s, and has now resurrected and relaunched the product from a century-old recipe. It's blended from local grapes, red Mencia and white Godello, and shows a profile that sits stylistically between classic vermouth and amaro (bitters), with a strong artichoke-like flavour on the palate, mixed with more vermouth-like cinnamon and other Christmas cake spices. Despite the sugar clearly in the mix, the finish comes across as rather dry and tonic thanks to that strong (and pleasant) bitter stream of flavour running from start to finish. Great complexity overall. I can see this starring in both pre-dinner cocktails, as well as solo on ice, or even after dinner neat as a gentle, low-alcohol digestif. NALS MARGREID HILL PINOT GRIGIO 2025

DOC Südtirol-Alto Adige

Nals Margreid is one of Alto Adige's most respected cooperatives, farming at high altitude in the Venosta and Adige valleys where the diurnal temperature swings are extreme and produce white wines of remarkable freshness and aromatic precision. This extra-dry Pinot Grigio opens with bright aromatics of licorice root, fresh pear, and a salt-and-pepper minerality before a palate of lemon curd and white nectarine carries to a clean refreshing finish. Drink it now through 2027 with grilled garlic-buttered zucchini, grilled radicchio and endives, or sesame-crusted salads. Drink date: 2026-2030. Score: **93** (nataliemaclean.com, Sept. 12, 2026)

PATERNOSTER SYNTHESI AGLIANICO DEL VULTURE 2021 DOC

The 2021 Aglianico del Vulture Synthesi punches well above its weight with a classic bouquet of musky currants, sagebrush, crushed ashen stones and lifting hints of pine. Ripe wild berry fruits sweep across the palate with crisp mineral tones and violet inner florals, while zesty acidity maintains fantastic balance. Long and gently tannic, the 2021 leaves a staining of tart raspberry. This represents great value and should age beautifully for many years to come. Drinking window: 2028-2046. A truly rich, luxurious and expressive Rosso, as chic, silken and stylish as they come. Crazy beautiful texture and styled flavours, luxe and seductive. Great fruit obviously but also a winemaker with touch, to turn fruit and acid into something so smooth. This considering 20 percent is subjected to some semi-carbonic maceration and time in amphora. R. LÓPEZ DE HEREDIA VIÑA BOSCONIA RESERVA 2015

DOCa Rioja

... It was a warm year, and the grapes were picked quite ripe. They struggled a little with the fermentations, and they had different lots and had to play with the blending and the percentages of other vintages ... so it would be a more balanced wine ... 80% Tempranillo, 15% Garnacha and the remaining 5% Graciano and Mazuelo, fermented in old oak vats with their yeasts and matured in those vats and in neutral American oak barrels over seven years. It also has some more rustic tannins, without the silky texture of some of its siblings. It was bottled in March 2023. Drink date: 2026-2042. STANDOUT SELECTIONS

Ontario is one of the few places in the world whose climate permits Cabernet Franc to achieve the perfect balance of ripeness and freshness. This allows our winemakers to make 100% Cabernet Franc wines rather than using it only for blends. Marynissen's perfumed 2023 and 13th Street's bright, complex 2025 rosé demonstrate the grape's exciting versatility and depth in Ontario. And this tantalizing wine from Cooper's Hawk showcases Ontario's terroir through one of the world's most authentic lenses: Riesling.

STYLE SPOTLIGHT

Chardonnay is responsible for the great white wines of Burgundy, but it's truly a global phenomenon grown virtually everywhere wine is made. Ontario's soaring reputation as a fine-wine region is based in no small part on the exquisite Chardonnay produced in our cool-climate growing areas such as Niagara Peninsula and Prince Edward County.

Sparkling conversation

KEW FRACETTE SPARKLING 2025 🍷

VQA Ontario, Charmat method

It's not every day that the world gets a new wine style. In this case, the place of origin is Ontario. Fracette (frah-SET) gives the traditional Champagne blend of Pinot Noir, Chardonnay and Pinot Meunier a uniquely Niagara flourish with an Icewine *liqueur de tirage*. A conversation-starter if there ever was one.
